TREYPART®

PREFACE

Our company, founded in 2016 with the support of our valued customers and the knowledge and experience gained by joining the sector in 2006, continues its activities in a closed area of 1000 m2.

In a short time, our company has achieved great success and had a significant share in the sector. TREYPART OTOMOTIV, following the technology with its experienced personnel and adopting the principle of customer-oriented work, meets the expectations and competencies of its domestic and international customers.

We would like to thank you our valued customers, who have contributed to us to increase and diversify your product range since its establishment.
